you're INVITED!

Indy Parks is currently preparing a master plan for the Indy Greenway system and wants your input! Come anytime during this public open house to tell us your thoughts on greenway issues, design and the future of the system! A short overview presentation will be held at 6:30 p.m. with an open house before and after the presentation.

what: Indy Greenways Public Open House
Decatur Township

when: Tuesday, March 5, 2013
Open House: 6:00 p.m. - 8:00 p.m.
Short overview presentation @ 6:30 p.m.

where: Salvage Yard Church
4809 S. High School Road
Indianapolis, IN 46221

The Indy Greenways 2013-2023 Master Plan update is part of an effort to update the plan for the overall greenway system. This effort will produce the next generation of master planning for the system, identifying new trail development, targeting maintenance needs of the existing facilities, defining connections to the regional bike and pedestrian systems, identifying connections to the new on-street bicycle facilities, and prioritizing the system's development. This plan will also have a greater focus on economic development potential near and along the greenway and will seek to identify how the trails can aid in new development. In the end, the plan will provide implementable steps for development of the greenway system over the next ten years. For more information on the plan, visit: www.indygreenwaysmasterplan.wordpress.com.

planning the future for the indy greenway system.

Sustainable Upgrades yield Savings of Energy and Money

Energy Efficiency

- \$18M in improvements
- Affects 61 city facilities
- Saves taxpayers **\$1.7 million** annually in utility costs

LED Traffic Signals

- Replaced more than **9,300** signal inserts
- Last 10 times longer than traditional signals
- City saves **41%** on traffic signal energy costs annually

The U.S. Conference of Mayors recently recognized Indianapolis for these important sustainability improvements

Success Clearing High Weeds & Grass

Compared to 2008, the Call-to-Cut time has been reduced from **42 days** to **13 days**

Department of Code Enforcement provides services...Faster and Better!

- Call 2-1-1 or visit FREETaxPrepINDY.com for other sites near you

Attracting businesses and creating jobs

International Developments International (IDI)

- Construction of a **\$21 million, 800,000 square foot** spec industrial building in Ameriplex is scheduled for completion in early 2013, the first construction of this scale since 2007.
- This construction allows Indy to compete with Plainfield for attracting logistics and warehousing companies.
- Three more similar structures are anticipated in Ameriplex over the next three years.
